Simplify franchisee financials

At Consolid8, we understand the problems facing Franchisors and have built systems that will make Franchisee bookkeeping and reporting much easier.

Our automated solutions improve franchisee compliance enabling you to manage, analyse and benchmark your franchisees, providing better support and maximising returns for everyone involved.

Standardised

Consolid8 works with your franchise system to deliver consistent bookkeeping and reporting standards customised for your franchise operations, regardless of franchisee legal structure.

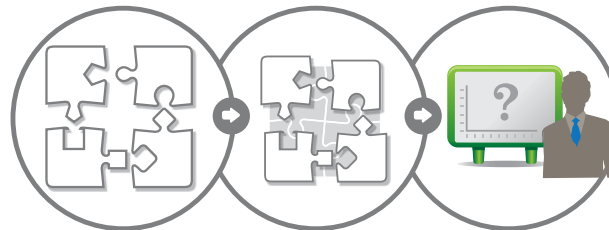

Timely

Consolid8 delivers franchisee financial reports by the 14th day of every month providing transparency and accountability across the franchise group.

Accurate

Our tailored systems automate the capture and coding of data to ensure that your franchisees record revenue and expenditure in a consistent way.

Without Consolid8 Services

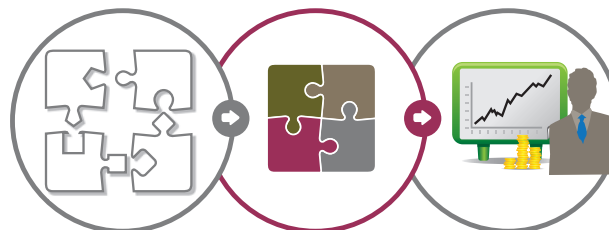

Franchisee financials can be inaccurate and supplied in different formats

Without Consolid8, reviewing franchisee financials can be costly

True financial results are often unknown to the franchisor

With Consolid8 Services

Franchisee financials can be inaccurate and supplied in different formats

Consolid8 constructs accurate and easily comparable financials

You receive clear financial results to track the progress of your franchisees

The right options for franchises

Consolid8 offers two levels of automated bookkeeping solutions for your Franchisees that make the life of a Franchisor much easier.

Acceler8 – Complete Bookkeeping Solution

Autom8 – Automated DIY Solution

If your franchisees have an accountant or bookkeeper, it helps to know that we work with their existing service providers to streamline their bookkeeping and reporting while saving time and stress.
