

CONSOLID8'S REAL WORLD DIGITAL & ECOMMERCE SOLUTIONS FOR MODERN BUSINESS

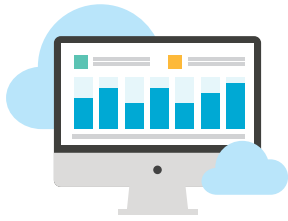

As eCommerce matures and blends with traditional commerce, modern businesses need advisors who can traverse both spaces. Consolid8 are early adopters of digital technology. Over the past 15 years we have worked with many start-ups and fast growing eCommerce and digital companies.

Growing an eCommerce business or integrating an eCommerce solution into your existing business requires real world experience. **Consolid8 specialise in guiding you through this process.**

CONSOLID8 PROVIDES FULLY INTEGRATED DIGITAL AND ECOMMERCE SOLUTIONS

RETAIL STORE + ONLINE STORE + ACCOUNTING SOFTWARE + INVENTORY + POS

SAAS and Cloud Strategies

We continually review and test new cloud software and interpret the constantly changing landscape for business.

Omni-Channel Specialists

We assist with achieving seamless integrating between retail and online presence and back end administration.

Capital Raising and Investment

We can assist with raising capital from investors, venture capital sources through to initial public offering (IPO).

CREATE YOUR OWN DIGITAL SOLUTION

Omni-Channel Solutions

We guide you through integrating your eCommerce platform with retail store, inventory, POS and accounting software.
