

CONSOLID8'S REAL WORLD STRATEGIC SOLUTIONS FOR MODERN BUSINESS

Consolid8 is a national accounting firm with global reach. Using cloud based technology and our experience from the real world, we deliver best practice strategic solutions for modern businesses.

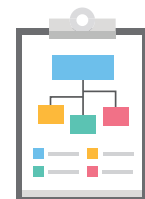

Financial Education

Gain greater control over your business by improving your financial literacy through one-on-one or group education.

Sale and Investment Ready

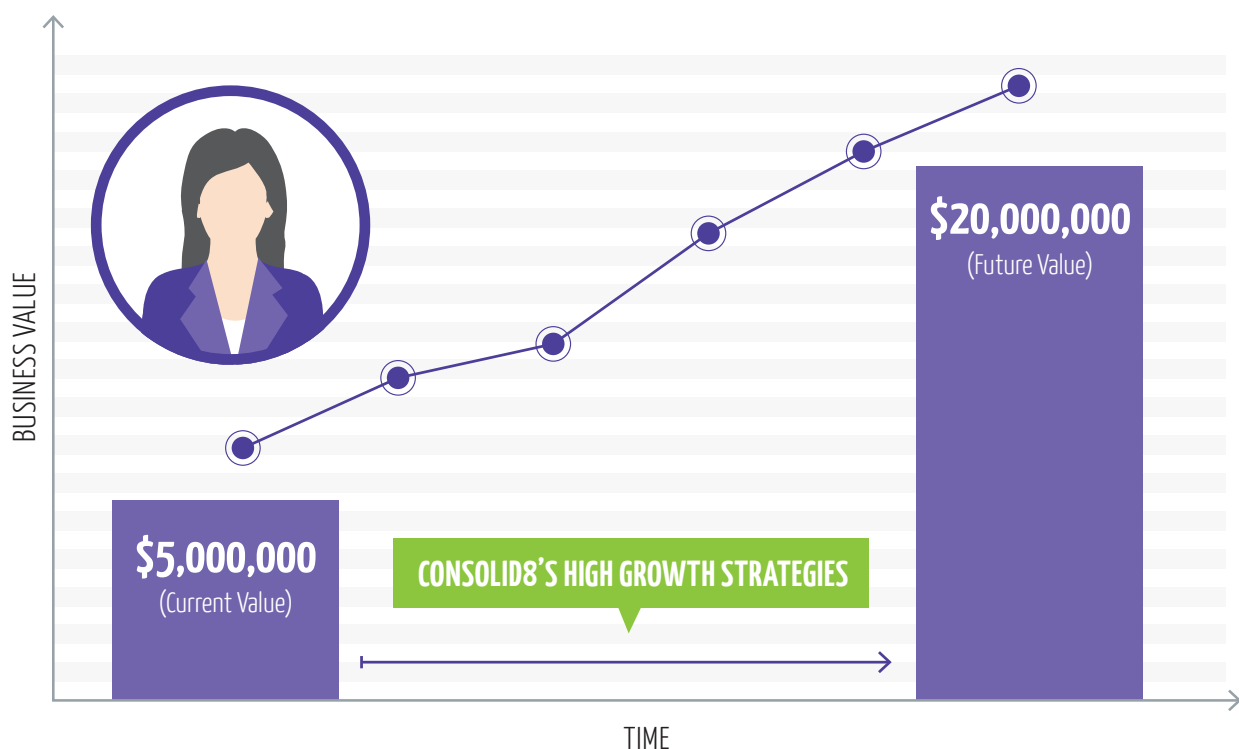

Working with you, we create structure and processes to ensure your business is sale and investment ready at all times.

Organisational Structure

By comparing organisational structure to business needs we develop a gap analysis and make recommendations.

HIGH GROWTH STRATEGIES STRUCTURED TO INCREASE BUSINESS VALUE

START YOUR FINANCIAL EDUCATION

Acceler8 Business Program

Join like-minded women for a 12 month Business Improvement Program run by Tanya Titman.

Business Valuation Workshops

Receive an in-depth business valuation report and strategies for increasing your business value.

One-On-One Mentoring

One-on-one meeting either in person or virtually with Principal/Director for customised growth strategies.

Customised Group Training

We provide customised education programs or individual sessions for corporate businesses and franchises.

CREATE YOUR OWN STRATEGIC SOLUTION

Business Health Check

Using a powerful diagnostic tool we evaluate current business position and provide improvement strategies.

Business Valuations

We conduct a business risk assessment, review cashflow and normalised profit to calculate the true value of your business.

Exit Strategy Planning

What is your business worth? Could you sell it? We ensure your business is sale and investment ready at all times.

Sale and Investment Ready

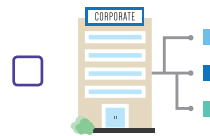

Unlock the potential value in your business. What is it worth now and what could it be worth?

CHOOSE A SPECIAL PROJECT

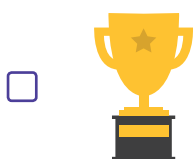

Extended DISC Profiling

Understand your leadership style and build a stronger team with better interaction and effective communication.

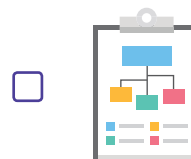

Corporate Restructure

Advice on corporate structure to achieve growth, introduce investors, maximise tax benefits and asset protection

Staff Remuneration Packages

Motivate your staff with incentive programs and salary packages that work for both employer and employee.

Organisational Restructure

We compare current organisational structure to future growth and identify resourcing gaps.
